AMENDMENT

Sir:

In response to the Official Action mailed August 18, 2000, please amend
this application as follows:

IN THE CLAIMS

10 13. (Three Times Amended) A method of treatment of [a platelet
aggregation disorder] unstable angina, coronary angioplasty (PTCA),
perithrombolysis, primary arterial thrombotic complications of atherosclerosis,
arterial complications due to interventions in atherosclerotic disease, or
thrombotic complications of surgical or mechanical damage, which comprises
administering to a patient [suffering from such a disorder] in need of such
